Reserve your session with a 20% deposit due within 45 days of sending this registration form or your preferred session may be advertised to other schools. Camps expect a portion of your deposit six months ahead of your scheduled program season to guarantee camp availability.

Payment: Pay balance due at camp during program. A final invoice will be provided.

Guaranteed Minimum = 80%. *Your school pays fees for the guaranteed minimum of 80% of the students expected to attend, even if the number actually attending drops below that level. We reserve the right to deny student numbers above 20% of the anticipated number because of program site limitations.*
